RSL Care Fairview Commemorates ANZAC Day

RSL Care Fairview Retirement Community joined the nation and many people around the world, in commemorating the 95th anniversary of ANZAC Day this year, ensuring that the ANZAC spirit continues.

A commemorative service was held on ANZAC Day morning with approximately 350 people in attendance, including dignitaries such as Michael Johnson, Federal Member for Ryan, Dr Bruce Flegg, State Member for Moggill, Margaret de Witt, Councilor for Pullenvale, Commodore Stuart Cameron, President, Kenmore-Moggill RSL Sub Branch and Max Lockwood, Director of the Board, RSL Care.

“It was a touching ceremony with a commemoration service and wreath laying at Fairview’s memorial in honour of the first ANZACs and those who have followed in their foot steps by serving our country in times of conflict,” said Pam Scherman Carr, Lifestyle Manager, Fairview Retirement Community, Pinjarra Hills.

Ceremonial music was provided by the Brisbane Boys’ College Band and lunch was served in the retirement village Community Hall following the ANZAC Day service, which was enjoyed by approximately 100 guests.

“A huge amount of support was also received from the Kenmore-Moggill and Ipswich RSL Sub Branches and members of the public as they joined the Fairview residents and their families as well as staff at the commemoration service, showing a true camaraderie amongst the local community in the spirit of the ANZAC,” said Pam.

RSL Care Fairview Retirement Community in Pinjarra Hills provides quality aged care and retirement living services for the ex-service and general community with a residential care community, retirement village, Day Therapy Centre and RSL HomeCare located within the same site.
