## From the RSL Care Chairman

Donations and Bequests have played a huge part in RSL Care's history since 1936, when philanthropist and prominent businessman, George Marchant, kindly donated a large residence – 'Kingshome' in

suburban Brisbane for 60 burnt out and unemployable diggers. 'Kingshome' gave them a social structure, a strong sense of community, security and a healthy lifestyle. In 1947, grazier, mining industry leader and World War 1 veteran, Malcolm Newman, donated his home 'Fernhill' at Caboolture – a million dollar gift in today's market!

From the vision, concern and generosity of these early philanthropists and RSL Queensland leaders, emerged RSL Care's mission to provide accommodation where ex-service men and women and others in the general community can live in peace, with dignity and the very best of health care.

Our Donations and Bequests Program presents an opportunity to regularly support the work of RSL Care with tax-deductible donations and the ultimate gift – a Bequest in your Will.

On behalf of our Board of Directors, I urge you to please support the work of RSL Care with your Donations and Bequests. You'll be helping us respond to the urgent and growing community need for more retirement lifestyle choices, providing peace of mind for many people who look to RSL Care as their first choice in aged care.

What a wonderful gift to be helping provide peace of mind to thousands of people – a true remembrance of who we are as Australians.

  
Sam Komarowski, Chairman

RSL Care is one of Australia's most respected not-for-profit providers of HomeCare, retirement living and residential care. RSL Care grew out of a commitment of the RSL in Queensland to 'care for our mates', particularly those in need.

Originally part of RSL Queensland Branch, RSL Care was incorporated as a public company with not-for-profit status in 1983 under Deed of Trust to the RSL Queensland Branch. RSL Care is also known as RSL (Qld) War Veterans' Homes Limited.
